To whom it may concern.

This is to confirm that Care Properties have looked after my property on two separate occasions when I was posted overseas. The first time was from 2000 to 2004 and the second from 2008 until mid-2013.

The service Care provided included finding tenants, collecting rent, ensuring maintenance was carried out, inspecting the property from time to time, and providing me with regular reports.

I am very happy with the attention that was paid to my property and to ensuring that I had good, reliable tenants. I have always found Michael Hall and his colleagues at Care to be competent and friendly property management agents.

A handwritten signature in black ink that reads "Christine Bogle". The signature is written in a cursive style, with the first name "Christine" and the surname "Bogle" clearly legible.
