Carolyn Hall from Care Properties managed my house in Hataitai for 4 ½ years while I was working overseas. She had a good routine of inspections and spotted things that needed attention like it was her own. She also gave direct and honest feedback on what needed attention during the times she was re-letting it. She made some good choices of tenants who looked after the house. I would definitely use Carolyn and Care Properties again and would be happy to talk to anyone considering them as a property manager.
